

LOC Scholars is a comprehensive college scholarship program operated by Areté Rising, a nonprofit organization that creates economic opportunity for young adults. Scholarships are awarded to high-achieving students with financial need who seek to attend and graduate from selective four-year colleges and universities. Scholars apply and are selected during their junior year of high school. By guaranteeing funding prior to the college application process, LOC Scholars are empowered to apply to their top choice schools without financial limitations.

ABOUT LOC SCHOLARS

WHAT FINANCIAL SUPPORT DOES THE SCHOLARSHIP INCLUDE?

Each LOC Scholar has access to generous financial support for up to four years. Award amounts will vary, based on the college cost of attendance, as well as the amount of any other awards or grants a scholar receives, but will generally include full tuition, room and board, health insurance, and required fees. Support may also be available for ancillary expenses, including eligible pre-college costs, career development related endeavors, and support for unexpected financial difficulties.

WHAT DOES THE APPLICATION PROCESS ENTAIL?

The LOC Scholars program application is comprised of two rounds. A selection committee will review each application. Academic ability and achievement will be considered, as well as exhibition of the following scholarship values: excellence, persistence, growth, and discipline.

Round One is an online application that includes the following:

- An eligibility component, wherein applicants will be asked to share household financial information;
- An academic profile, wherein students will be asked to share their high school transcript and information about their extracurricular activities and leadership experience;
- Two essay questions (300-500 words each).

For those selected to advance, Round Two of the application includes the submission of a short video and Junior spring transcripts.

HOW MANY SCHOLARSHIP RECIPIENTS WILL BE SELECTED?

In 2023, a total of six LOC Scholars will be selected. Of these, five scholars will be affiliated with Young Eisner Scholars and one scholar will be selected from The Roxbury Latin School.

ONCE SELECTED AS LOC SCHOLARS, WHAT IS EXPECTED OF STUDENTS?

Upon selection, Scholars will receive a Scholar Agreement which outlines the full list of responsibilities required to maintain good program standing, the most significant of which are the following:

- Maintain a minimum 3.5 (public school) and 3.25 (private school) unweighted GPA on a 4.0 scale (or equivalent) throughout junior and senior years of high school;
- Maintain a minimum 3.2 cumulative GPA on a 4.0 scale throughout college;
- Maintain regular communication with scholarship staff, which includes, but is not limited to, submitting academic progress updates on a regular basis;
- Maintain continuous, full-time enrollment at a 4-year college or university and pursue on-time college graduation;
- Engage with the LOC Scholars community;
- Act with honesty and personal integrity, demonstrate strength of character and leadership, and show concern for community.

SHOULD STUDENTS INFORM THEIR COLLEGES THAT THEY HAVE BEEN SELECTED TO RECEIVE THE LOC SCHOLARSHIP?

Yes. Students may tell schools that they have been selected to receive the LOC Scholarship, and should comply fully with all required disclosures. As long as the selected student continues to uphold the scholarship eligibility requirements, they will receive the financial support outlined herein.

ARE SCHOLARSHIPS CONSIDERED TAXABLE INCOME FOR STUDENTS?

A portion of each scholarship award may be considered taxable by the U.S. Internal Revenue Service. Scholarship recipients are responsible for ascertaining tax liability for the scholarship, and for reporting the taxable portions of their scholarship as income.
